Concord, NH 03301

Re: DE 23-044 Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty 2023
Default Service Solicitations – DOE Technical Statement

Dear Chairman Goldner:

On December 15, 2023, the Public Utilities Commission (Commission) issued Order No. 26,913, in which it required Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty or the Company) to file a proposal for an ISO-New England market-based procurement tranche of 10 to 20 percent, through whatever combination of direct Day Ahead and Real-Time ISO-New England market acquisitions the Company finds advisable, for the Company's upcoming August 2024-January 2025 energy service period for its small customer group, to be assessed by the Commission in a future phase of this proceeding. Liberty submitted this filing on January 29, 2024.

On February 8, 2024 the Commission issued a Supplemental Order of Notice to assess the proposal and directed the Department of Energy to submit its position regarding Liberty's proposal by March 6, 2024.

As such, enclosed please find the Department's Technical Statement regarding Liberty's proposal. Pursuant to current Commission policy, this filing is being made electronically only.

Sincerely,

A handwritten signature in black ink that reads "Matthew C. Young".

Matthew C. Young
Hearings Examiner/Staff Attorney
