RE: DE 23-068

Dear PUC Committee Members,

Many of us remember the chaos caused by tabling the triennial plan in the winter of 2019/20 followed by subsequent proposed hamstringing of the NH Saves Program. Neither action served the consumer or businesses. Let's avoid this unnecessary delay for the upcoming plan.

Businesses need predictability, and a three year plan provides that surety. Consumers need to save money where they can. Both actions serve our community, and therefore please support DE 23-068.

Respectfully,

Bruce Berk
