Dear NH PUC Clerk,

I am writing in support of the NH Saves program in Docket 23-068. I live in Dover.

In the past year, we have tapped into this program to make energy-efficient repairs to our old house. We are seeing decreases in utility bills and a warmer home with fewer drafts. We are also happy to do our part by using the program to save energy.

I advocate that the PUC not only maintain, but expand this program.

Sincerely,

Charles Rhoades
