Re: Docket No. DE 23-068
2024-2026 Triennial Energy Efficiency Plan

To the Commission:

In light of the prehearing conference conducted today in the above-referenced docket, particularly the explicit representations of the Commissioners that they intend to decide this case in a manner that is impartial and fully consistent with applicable law, the Office of the Consumer Advocate requests leave to withdraw the motion it originally filed in Docket No. IR 22-042 seeking the disqualification of all three Commissioners from participating in the instant proceeding. As the Commission is aware, we requested to incorporate that motion into DE 23-068 by reference, via our letter filed on June 30, 2023 (tab 8).

Please contact me if there are any questions or concerns about the foregoing.

Sincerely,

A handwritten signature in blue ink, appearing to read "DKreis".
