Daniel C. Goldner, Chairman
New Hampshire Public Utilities Commission

Re: DE 23-068; Distribution Utilities; 2024-2026 Triennial Energy Efficiency Plan; *DOE's Request for Remote Attendance*

Dear Chairman Goldner:

On September 14, 2023, the Office of the Consumer Advocate (OCA) filed a motion to schedule an additional prehearing conference in this docket. On September 22, 2023, the Public Utilities Commission (PUC or Commission) scheduled a pre-hearing conference for Monday, October 2, 2023, at 1:00 p.m. to outline the plan for upcoming hearings in this matter.

The Department of Energy (Department) respectfully requests that its Electric Director, Elizabeth Nixon, be given access to the observe the conference remotely. This is a prehearing conference and Ms. Nixon was not planning on testifying or speaking at this hearing. Ms. Nixon will be out of the state that day for pre-scheduled travel, but would like to observe the proceeding, given the importance of this docket.

Consistent with the Commission's current practices, this letter is being filed only in electronic form.

Sincerely,

/s/ Molly M. Lynch
