**Re: DE 23-073, Low Income Electric Assistance Program
Compliance Filing**

Dear Chairman Goldner,

On August 9, 2023, the Public Utilities Commission (“Commission”) issued Order No. 26,870 (the “Order”), approving certain modifications to the Electric Assistance Program (“EAP”). One of the modifications was to reallocate discounts among the EAP benefit tiers.

Enclosed for filing are revisions to Unitil Energy Systems Inc.’s tariff page 6 (both clean and redlined) reflecting the reallocated discount rates approved in Order No. 26,870. Also enclosed is a supporting workpaper in excel showing the calculation of the EAP discounts. Please see the tab “LI-EAP Discounts clean”.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in black ink that reads "Matthew Campbell".
