RE: Docket No. DE 23-073, Low Income Electric Assistance Program
2023-2024 Electric Assistance Program Budgets
Revised Compliance Tariff Pages Filing of Public Service Company
of New Hampshire d/b/a Eversource Energy

Dear Chairman Goldner:

In Order No. 26,870 (August 9, 2023), the Commission approved modifications to the Electric Assistance Program (“EAP”), one of which was to reallocate discounts among the EAP benefit tiers. In Order No. 26,321 (December 26, 2019) issued in Docket No. DE 19-192, the Commission had previously modified the EAP Tier 2 eligibility threshold.

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy, please find enclosed clean and redlined versions of tariff pages 48 and 49 reflecting the modified EAP eligibility threshold, as approved in Order No. 26,321, and implementing the new tiered discount percentages, as approved in Order No. 26,870. This filing is intended to replace that made on September 6, 2023.

Consistent with current Commission policy, this filing is being made electronically only; paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
