Re: **Northern Utilities, Inc. -- DG 23-085**
2023 / 2024 Annual Cost of Gas and Associated Charges Filing

Dear Chair Goldner:

Enclosed please find revised versions of Northern Utilities, Inc.'s ("Northern") proposed tariff pages 86 and 88. These tariff pages provide a seasonal summary of Northern's rates as applicable to each firm rate class. The revised tariff pages now include the Revenue Decoupling Adjustment Factor ("RDAF") which is proposed to be effective on November 1, 2023. The initial versions of tariff pages 86 and 88, submitted on September 15, 2023 in this docket, had inadvertently excluded the RDAF charges which were proposed in Docket No. DG 23-086.

If you have any questions or need additional information, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor", with a long horizontal flourish extending to the right.
