Re: DE 23-_____ Request for Approval of Newbury Community Power Plan

Dear Chairman Goldner,

Attached please find the Newbury Community Power Plan for review and approval by the Commission pursuant to RSA 53-E:7. The Newbury Community Power Plan was approved by the Newbury Community Power Committee on October 23, 2023, and the Newbury Selectboard on November 16, 2023.

The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under PUC 2204.01(a). Once the plan has been approved (or rejected) by the legislative body, majority vote at Newbury Town Meeting, the Town will notify the Commission, Department of Energy, Office of the Consumer Advocate, and the distribution utility serving Newbury, Eversource, of such final plan approval or rejection, as required under PUC 2204.01(g).

The municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules is: Diane Ricciardelli, Town Administrator, Town of Newbury, 937 US Rte.103, Newbury, NH 03255, (603) 763-4940, dricciardelli@newburynh.org.

Newbury maintains an Energy Committee website found through the Town website: newburyenergynh.wordpress.com. The Town will notify the Commission if such a dedicated Community Power website is created, as required under PUC 2203.01(e).

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, and Eversource, the distribution utility serving Newbury.

Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Diane Ricciardelli".
