Re: Petition of Pennichuck Water Works, Inc., Pennichuck East Utility, Inc., and Pittsfield Aqueduct Company Inc., for Approval of a Consolidation of Pennichuck East Utility, Inc. and Pittsfield Aqueduct Company, Inc. with Pennichuck Water Works, Inc. Docket DW 23-101

Dear Chairman Goldner:

During the February 14, 2024 pre-hearing conference in the above-referenced matter, Pennichuck East Utility, Inc., Pittsfield Aqueduct Company and Pennichuck Water Works, Inc., (hereinafter “Companies”), Department of Energy, Office of Consumer Advocate, Intervenors, and Commission discussed filing an amended petition in Docket No. DW 23-101 to incorporate the consolidate rate filings from Docket No. DW 23-088. The parties and Commission discussed filing both a proposed procedural schedule with a dual-track approach and the amended petition by February 28, 2024. The DOE and Company have agreed to a proposed procedural schedule, which is being reviewed by all the parties, and the procedural schedule should be filed today.

The Companies are filing this letter as an update to the Commission, that the Companies anticipate filing the amended petition, motions, and related documents within the next seven (7) days. This will provide additional time for the parties and Companies to review the draft motions, amended petition, and related documents and provide any comments, edits or assent if possible. The Companies will endeavor to file these documents as soon as possible for the Commission’s review and consideration.
