Re: Docket No. DE 24-035, Public Service Company of New Hampshire
d/b/a Eversource Energy 2024 Regulatory Reconciliation Adjustment
Filing of Supplemental Petition and Supporting Testimony

Dear Chairman Goldner:

Pursuant to Section 9 of the October 9, 2020 settlement agreement on permanent rates approved by Order No. 25,433 on December 15, 2020 in Docket No. DE 19-057, Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource” or the “Company”) hereby submits its Supplemental Petition and supporting testimony in order to update its initial filing to cover all other components of the Regulatory Reconciliation Adjustment (“RRA”), with the exception of its reliability statistics and vegetation management activities, which were addressed in the Company’s March 1, 2024 initial filing.

Accordingly, enclosed for filing are Eversource’s Supplemental Petition and related pre-filed testimony of Yi-An Chen and Scott R. Anderson and accompanying attachments. The Company requests that the Commission consider its RRA filings in a manner such that review will be complete in time for adjusted rates to be effective as of August 1, 2024. As set forth in the Supplemental Petition, the Company respectfully requests that a hearing on the merits be scheduled no later than June 30, 2024, in order to allow sufficient time for implementation of the proposed RRA rate changes.

Consistent with the Commission’s current policy, this filing is being provided electronically only and paper copies will not follow. Please do not hesitate to contact me should you have any questions regarding this matter.

Sincerely,

/s/ David K. Wiesner
