

STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION

Docket No. DE 24-061

LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP.
d/b/a LIBERTY

2024 Default Service Solicitations

Assented-to Motion for Remote Participation

Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, through counsel, respectfully moves the Commission pursuant to Puc 203.07 to allow for remote participation of Liberty's witnesses Green and Garcia at the June 25, 2024, hearing in this docket.

Witness Christopher Green is based in Joplin, Missouri, and the Commission has previously granted requests for his remote participation in prior default service dockets to save the costs of travel and of Mr. Green's time, which costs are ultimately borne by Liberty's customers. The Company requests approval of Mr. Green's remote participation for the same cost-saving reasons.

Witness Robert Garcia has longstanding plans to be in Chicago, Illinois, during the week of the June 25 hearing to attend to family matters and will thus not be able to appear at the hearing in person. The Company seeks approval of Mr. Garcia's remote participation due to the conflict caused by these family commitments.

The other parties to this docket (the Department of Energy and the Office of the Consumer Advocate) assent to the relief sought.

WHEREFORE, Liberty respectfully requests that the Commission:

- (1) Allow Mr. Green and Mr. Garcia to participate remotely in the June 25, 2024, hearing; and
- (2) Order such further relief as may be just and equitable.

Respectfully submitted,

Liberty Utilities (Granite State Electric) Corp., d/b/a
