Re: DW 24-\_\_\_ Charles H. Evans and Evans Family, LLC  
Verified Petition for Franchise and Exemption from Regulation

Dear Chairman Goldner:

Pursuant to the Commission's temporary filing requirements dated March 17, 2020 and pursuant to the Commission's rule Puc 202.01, please see the attached petition for franchise approval and exemption from Commission regulation.

There are very limited customers in the proposed franchise. Surrounding developed parcels are either connected to the Town of Londonderry's sewer system or have their own on-site septic. For that reason, we proposed that notice to the interested public, which would likely only be the parcels in the drainage study area who could connect either under the Evans' ownership or Town ownership, of this adjudicative proceeding be conducted by first class mail so as to avoid the costly expense of newspaper publication. The Town and the NH Department of Environmental Services have both approved the design of the sewer main extension.

Please kindly add Charles H. Evans to the Commission's electronic service list:  
[treetopair@gmail.com](mailto:treetopair@gmail.com).

Lastly, for the Commission's convenience, please also see the attached draft order of notice.

Thank you for the Commission's assistance with this filing.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
