Re: DW 24-071 Pennichuck Water Works, Inc.- Tyngsborough Water District Special Contract Assented-to Proposed Procedural Schedule

Dear Chairman Goldner:

Pursuant to the Commission's temporary filing requirements dated March 17, 2020 and pursuant to the Commission's June 4, 2024 order commencing this adjudicative proceeding and encouraging the parties to file a proposed procedural schedule, the parties propose the below procedural schedule for the Commission's consideration.

07/18/24 – Data Requests – Set 1
08/01/24 – Responses – Set 1
08/06/24 – Pre-hearing Conference @ 9:00 and Technical Session thereafter
08/15/24 – Data Requests – Set 2
08/29/24 – Responses – Set 2
09/17/24 – Technical Session: 10:00 – 12:00 (Virtual)
09/24/24 – Data Requests – Set 3
10/01/24 – Responses – Set 3
11/05/24 – File Settlement or DOE Report for Commission approval by order *nisi*.

The Commission's order of June 4th requested proposed hearing dates, however, the Commission has approved Pennichuck Water Works, Inc.'s special contracts by orders *nisi* in the past: DW 22-029 (Hudson); DW 22-040 (Pennichuck East Utility, Inc.); DW 22-070 (Milford); and DW 22-085 Merrimack Village District). Consistent with that history of approval of special contracts, the parties request the Commission similarly approve Tyngsborough's special contract by order *nisi*. Therefore, no final hearing dates are offered at this time. The Department of Energy assents to this procedural schedule.

Thank you for the Commission's assistance with this filing.

Very Truly Yours,

Marcia A. Brown
