PUBLIC UTILITIES COMMISSION**

**DE 23-004**

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE d/b/a EVERSOUCE ENERGY**

**Proposed Purchase of Receivables Program**

**SUPPLEMENTAL ORDER OF NOTICE**

On August 22, 2024, the Commission issued Order No. 27,049, which approved the parties' settlement agreement establishing Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource or the Company) Purchase of Receivables (POR) Program (Settlement Agreement). Order No. 27,049 continued the proceeding in this docket to a second phase, in which the Commission will review the Company's proposed revisions to its "Electric Supplier Services Master Agreement" (ESSMA) and "Electricity Delivery Service Tariff NHPUC No. 21" (Tariff) All docket filings, other than any information subject to confidential treatment, are available on the Commission's website at [www.puc.nh.gov/regulatory/Docketbk/2023/23-004.html](http://www.puc.nh.gov/regulatory/Docketbk/2023/23-004.html).

**I. BACKGROUND AND PROCEDURAL HISTORY**

In the Settlement Agreement, the parties agreed to bifurcate this proceeding, with the second phase to commence upon the Commission's approval of the Settlement Agreement. The Settlement Agreement provided that Eversource would implement its POR program if the Commission approved the proposed revisions to its ESSMA and Tariff and after the Company received executed revised ESSMAs. Eversource has not yet submitted its ESSMA and Tariff filing.

**II. ADDITIONAL ISSUES PRESENTED**

The Company's ESSMA and Tariff filing will present, inter alia, the following

additional issues: whether the Company's proposed revised ESSMA and proposed revised Tariff are consistent with the Settlement Agreement, as approved by Order No. 27, 049 (August 22, 2024); whether the Company accurately calculated the components underlying the revised Tariff; and whether the rates resulting from the revised Tariff would be just and reasonable, as required by RSA 374:2, RSA 378:5, and RSA 378:7. These issues will be addressed in the second phase of this adjudicative proceeding.

The Commission will be conducting any hearings scheduled in this matter in person. The Commission will consider requests to conduct hearings using a hybrid format to permit remote participation by a specific individual only if the Commission has determined that a sufficient reason has been provided for why that individual would be unable to attend in person. Any party requesting that a specific individual be permitted to participate remotely should file a written request with the Commission's Clerk's Office no later than fifteen (15) days prior to the hearing date. If the Commission determines that one or more individuals will be permitted to appear remotely, then individuals in the Commission's hearing room, including the Commissioners, will be broadcast on a web-enabled platform.
