TOWN OF CANDIA

Request for Approval of Candia Community Power Electric Aggregation Plan

Procedural Order Re: Amendment to Approved Community Power Plan

On March 16, 2023, the Town of Candia (Candia) filed its Community Power Aggregation Plan (the Plan), which the Commission approved on May 12, 2023, in Order No. 26,820. On July 2, 2024, Candia submitted an amendment to the Plan, which removes Good Energy, L.P. as a services provider, and makes a minor change to the customer opt-out notice requirement.

Pursuant to RSA 53:E-7, IX, adopted community power electric aggregation plans may be amended and modified from time to time. Since this amendment does not substantially modify the terms of the Plan, no further review by the Commission is required under RSA chapter 53-E.

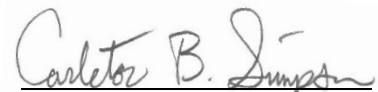

So ordered, this twenty-third day of July, 2024.
