**2024 Energy Service Solicitations**

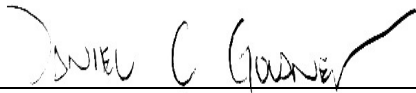

**Procedural Order Re: Scheduling of Hearing on December 17, 2024, and  
Appointment of Alexander Speidel, Esq. as Examiner**

On November 19, 2024, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a schedule for its upcoming default energy service solicitation for service beginning on February 1, 2025. Eversource requested that the Commission schedule a hearing on December 17, 2024.

The Commission schedules a hearing on December 17, 2024, at 9:00 a.m. Three hours shall be allotted for this hearing, which will be conducted in accordance with the previously-issued hearing guidelines. Due to Commission scheduling commitments in December, we assign Attorney Alexander Speidel, a Senior Advisor to the Commission, to serve as an examiner for the hearing, to report the facts, and to make recommendations to the Commission.

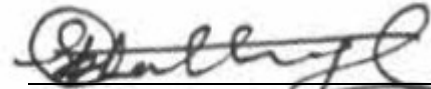

Pursuant to RSA 363:17, any party "whose interests may be affected" may request that this hearing be held "by the full commission, or a majority thereof" so long as that request is made 5 days before the date of the hearing. However, given the tight decisional timeframe involved in this proceeding, Eversource and the other parties are requested to make any filing pursuant to RSA 363:17 no later than December 3, 2024. Upon receipt of Attorney Speidel's Examiner Report, which would be expected to be filed on December 18, 2024, the Commission would be prepared to issue its decisional order within the timeframe to be requested by Eversource.

So ordered, this twentieth day of November, 2024.
