Commission-Attended Prehearing Technical Conferences; Extension of Deadline for
Eversource Record Request Responses**

By this procedural order, the Commission makes the following rulings. For the upcoming Commission-attended prehearing technical conferences on the Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource or the Company) performance-based ratemaking (PBR) proposal, as established by Commission Order No. 27,029 (June 28, 2024) issued in this instant docket, Eversource is requested to make available its Testimonial witnesses on PBR for record questioning by the Commission and the parties at the October 2-3, 8-9 conferences. Eversource is also requested to make available, for these conferences, informed personnel that are expected to oversee the Company's implementation of its PBR proposals, if approved by the Commission in this proceeding.

In relation to Eversource's filing, made on September 25, 2024, regarding the Company's expectation that it will provide responses to the Commission's Record Requests #25 through #29 by October 7, 2024, the Commission GRANTS the Company's request for an extension for the deadline for these responses beyond today (September 26), and ORDERS that the Company provide its responses to Commission Record Requests #25 through #29 no later than October 7, 2024. The Company is reminded, as ordered in the procedural order promulgating these Record Requests issued on September 6, 2024, to
