**Procedural Order Re: Requests for Remote Participation Filed by DOE and AARP**

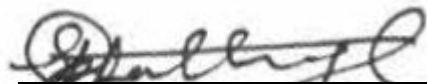

The Commission GRANTS the New Hampshire Department of Energy's (DOE) timely request, filed on September 18, 2024, that the following DOE consultants be permitted to participate remotely during the prehearing technical conferences scheduled on October 2, 3, 8, and 9, 2024, due to the long distances that they would be required to travel: Nicholas Crowley, Dan McLeod, Sherry Wang, and Michael Clark of Christensen Associates, who are based in Wisconsin; and Donna Mullinax of Blue Ridge Consulting Services, Inc., who is based in South Carolina. The Commission DENIES the request for remote participation of AARP New Hampshire (AARP) representative John B. Coffman, filed on September 27, 2024, because it is untimely and does not "explain[s] why he. . . is unable to participate in person. . . ." See Hearing Guidelines issued on June 28, 2024 at 1.

Given the short amount of time remaining before October 2 prehearing technical conference, the Commission waives New Hampshire Code of Administrative Rules, Puc 203.07(e). The filing of a separate request will be required for any other parties or witnesses wishing to appear remotely.

So ordered, this thirtieth day of September, 2024.
