**NORTHERN UTILITIES, INC.**

**Petition for Approval of Revenue Decoupling Adjustment Factor  
and Waiver of Revenue Decoupling Adjustment Cap**

**Procedural Order Re: DOE Request to Extend Deadline**

On November 19, 2024, the New Hampshire Department of Energy (DOE) filed an assented-to request to extend the November 20, 2024 deadline for filing its position statement to November 26, 2024 to allow for full review of discovery. The November 20, 2024 deadline, established in the supplemental order of notice issued on October 29, 2024, applies to all parties. Therefore, Commission GRANTS the DOE's request to extend this deadline, *see* N.H. Admin. R., Puc 202.04, so that the DOE and other parties "shall file their positions regarding [Northern Utilities, Inc.'s] petition to waive the [Revenue Decoupling Adjustment Cap] and the proposed peak and non-peak rates, including the reasons for these positions," on or before November 26, 2024.

So ordered, this twentieth day of November, 2024.
