Re: DE 17-189, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities  
Petition to Approve Battery Storage Pilot Program  
Extension of Time to File Response

To the Parties:

On March 20, 2018, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities (Liberty) filed a request to extend the deadline for Liberty to respond to supplemental data requests asked at the March 14 technical session from March 21 to March 23, 2018. Staff and the parties have assented to the request. The Office of Consumer Advocate did not respond.

The Commission has determined that an extension of time to file responses to the technical session requests will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, Liberty's request to extend the deadline for responding to the supplemental data requests to March 23, 2018, has been approved.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
