Re: DG 17-070 Northern Utilities, Inc.  
Request for Change in Rates  
Filing Defects

To the Parties:

On April 9, 2018, Northern Utilities, Inc. submitted for filing a signed Settlement Agreement on Permanent Delivery Rates and Exhibits thereto. The Company submitted electronic and paper copies that did not match, and submitted pages marked "confidential" without providing redacted copies. The Commission, on its own motion, waived its rule for making an effective filing, in particular Puc 203.02(a)(2), and accepted the Settlement Agreement and Exhibits for filing effective April 9, 2018. The Commission directed the Company to work with the Clerk's Office to correct all filing defects no later than April 10, 2018, and to provide any corrected documents to the service list.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
