Re: DM 18-146 Charity+Power, Inc.  
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. McSpadden:

On September 21, 2018, Charity+Power, Inc. (Charity+Power) submitted an application with the Commission to renew its registration as a provider of electric aggregation service.

Commission Staff filed a memorandum on September 8, 2018, stating it had reviewed the application and determined it is complete, and recommending that a waiver be granted of the renewal filing deadline under N.H. Code Admin. Rules Puc 2003.06(a) and that Charity+Power's registration renewal application be approved for a two-year term, beginning on November 16, 2018, pursuant to Puc 2003.06(e)(1).

The rule waiver has been granted, and Charity+Power's application for registration renewal is approved, effective as of November 16, 2018, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on November 16, 2020. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before September 17, 2020.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that, effective as of July 1, 2014, each registered electric aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
