Re: DM 19-128, ANE American New Energy, LLC
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. Trombly:

On July 22, 2019, ANE American New Energy, LLC (ANE) submitted an application with the Commission to renew its registration as a provider of electric aggregation service.

Commission Staff filed a memorandum on March 20, 2020 notifying the Commission that ANE's registration lapsed on July 31, 2019, and recommending that, because information required to complete the application was not provided within 60 days of Staff's request for that information, approval of ANE's registration renewal application be denied, pursuant to N.H. Code Admin. Rules Puc 2003.06(e)(2), and that this docket be closed.

ANE's application for registration renewal has been denied, pursuant to Puc 2003.06(e)(2), and ANE's registration as an electric load aggregator has lapsed.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
