Re: DE 10-195 Public Service Company of New Hampshire
Petition for Intervention

To the Parties:

On October 3, 2018, Senator Jeb Bradley, one of the sponsors of SB 577, filed a petition for intervention in the above referenced matter. The Commission has determined that Senator Bradley has not stated "facts demonstrating that he has rights, duties, privileges, immunities or other substantial interests that may be affected by" what the Commission has been directed to do in this matter. As a result, the Commission has denied his petition without prejudice to his ability to renew the request at a later phase of the proceeding.

The Commission's dockets are maintained online and can be accessed in the Commission's virtual file room at <https://puc.nh.gov/Regulatory/VirtualFileRoom.html>. Further, the Commission receives comments throughout the course of its proceedings and, while those comments are not part of the formal record in the proceeding, they can inform Staff and the parties about issues that may warrant additional inquiry. Thus, failure to obtain intervenor status does not prevent a person from being involved in Commission dockets.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
