RE: DE 18-002 Eversource Energy 2018 Energy Service Solicitation / Notice of Order

To the Parties:

The Commission intends to issue an order in Docket No. DE 18-002 later this evening. This order pertains to the implementation of RSA 362-H. Given the deadlines associated with potential contracts between Eversource and five biomass plants, the Commission has been working diligently to get this out as quickly as possible. Under different circumstances, the Commission would wait until Monday, but the Commission believes it is in the best interests of the parties to release the order as soon as possible.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland" with a stylized flourish at the end.

Debra A. Howland
