Re: DM 19-006, Novo Energy Service LLC
Application to Register as Provider of Electric Aggregation Service

Dear Mr. Quester,

On January 9, 2019, Novo Energy Service LLC (Novo Energy) submitted an application with the Commission to register as a provider of electric aggregation service.

Commission Staff filed a memorandum on January 10, 2019, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Code Admin. Rules Puc 2000. Staff recommended that Novo Energy's registration application be approved for a two-year term.

Your application for registration is approved effective as of January 10, 2019, under Puc 2003.05(g)(1). The registration is for a term of two years and expires at the close of business on January 10, 2021. Pursuant to Puc 2003.06(a), you must submit your renewal application at least 60 days prior to the expiration of the approved registration term, on or before November 11, 2020.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that, effective as of July 1, 2014, each registered electric load aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland". The signature is fluid and cursive, with the first name being the most prominent.

Debra A. Howland
