Re: IR 15-296, Investigation into Grid Modernization
Procedural Next Steps

To the Parties:

On February 12, 2019, Commission Staff filed a report with recommendations in the above-captioned investigative docket concerning New Hampshire utility grid modernization. In its report, Staff included a recommendation that the Commission seek written comments from stakeholders by April 6, 2019. To facilitate stakeholder input, the Commission has established the following initial schedule:

Technical Session for discussion and questions on Staff report	March 25, 2019, 9:00 AM
Written Comments on Staff report	April 8, 2019
Public Comment Hearing for inquiries from the Commission regarding the report and/or filed comments (subject to cancellation if deemed unnecessary)	April 12, 2019, 10:00AM

All stakeholders are encouraged to attend the technical session and to submit comments on the Staff report for Commission review.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
