Application to Register as Provider of Natural Gas Aggregation Service

Dear Mr. Peterson:

On October 29, 2019, RealPage Utility Management, Inc. (RealPage) submitted an application with the Commission to register as a provider of natural gas aggregation service. On November 19, 2019, RealPage provided additional information showing their registration with the Secretary of State.

Commission Staff filed a memorandum on November 21, 2019, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommended that RealPage's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, RealPage's application for registration is approved, effective as of November 21, 2019. The registration is for a term of two years and expires at the close of business on November 21, 2021. Pursuant to Puc 3003.05(a), you must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before September 22, 2021.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
