Re: DRM 19-158, Rulemaking  
Puc 900 Rules for Net Metering for Customer-Owned Renewable Energy Generation  
Resources of 1,000 Kilowatts or Less  
Scheduling Stakeholder Technical Session for December 12, 2019

To Interested Stakeholders:

On November 26, 2019, Commission Staff (Staff) filed a request to schedule a stakeholder technical session on December 12, 2019.

The December 12 technical session will focus primarily on proposed rules amendments necessary to implement Senate Bill 165 (2019), with respect to on-bill crediting for group net-metered renewable energy facilities and additional net metering compensation available to low-moderate income community solar projects. Staff stated that it plans to circulate an agenda and materials for stakeholder review prior to the technical session.

Accordingly, the Commission has scheduled a technical session on Thursday, December 12, 2019, at 1:00 p.m.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
