Re: DM 20-075, Budderfly, Inc.
Notification of Intent to Conduct Business as a Buyer's Aggregator

Dear Mr. Eldredge,

On June 3, 2020, the Commission issued a secretarial letter accepting Budderfly, Inc.'s notification of intent to conduct business as a buyer's aggregator, under N.H. Admin. R., Puc 2003.05(a), subject to the condition that it only serve large commercial and industrial customers and not serve any residential or small commercial customers.

By letter dated June 15, 2020, Budderfly objected to the condition that it only serve large commercial and industrial customers and not serve any small commercial customers. Budderfly emphasized that it primarily provides energy management services to its clients, that it becomes the electric customer of record for those clients responsible for payment of utility rates and charges, and that, while the clients nominally fall into the category of small commercial customers, "they are relatively sophisticated business owners."

Commission Staff filed a memorandum on September 16, 2020, in which it concluded that, after reviewing Budderfly's letter and supplemental information provided by Budderfly, it is unnecessary to impose any restriction on Budderfly's ability to serve small commercial customers as a buyer's aggregator in New Hampshire.

Accordingly, the Commission clarifies that it has accepted Budderfly's notification to conduct business as a buyer's aggregator serving only commercial customers and not residential customers.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
