## ***What is Dig Safe***

Planning home improvements? Planting a tree? Installing a fence or deck? When a safe job starts with a call to Dig Safe® at 811.

Dig Safe® is a not-for-profit clearinghouse that notifies participating utility companies (or their contract locating companies) respond to mark out the location of their lines, funded entirely by its member utility companies. (Note: Dig Safe does not mark lines.)

It's a risk to make faulty assumptions about when to notify Dig Safe. That's why even small projects, like installing a mailbox or planting shrubs. The depth of utility lines in a common area.

It's important to know what's below. Call 811 to avoid utility service disruption around you, as well as fines and repair costs.
