Re: DG 07-050; KeySpan Energy Delivery New England

Dear Ms. Howland:

Enclosed for filing with the Commission are an original and six copies of prefiled testimony of Ann E. Leary relating to the above-captioned proceeding. This testimony is substantially the same testimony that was previously submitted by KeySpan with its Response to Motion for Reconsideration, Rehearing and Clarification filed in Docket DG 07-033 concerning Northern Utilities, Inc. (The only changes are intended to reflect the fact that it is being filed in a different docket.) The testimony reflects the sum and substance of the oral rebuttal that Ms. Leary plans to provide on the witness stand at the hearing in this docket scheduled for Monday, November 5.

KeySpan is aware that the procedural schedule in this case does not provide for the filing of additional written testimony, but because Ms. Leary's anticipated oral testimony already exists in written form, KeySpan felt it was appropriate to provide it in advance in this docket. KeySpan has conferred with the Commission staff and Office of Consumer Advocate and is authorized to represent that they have no objection to proceeding in this manner.

Sincerely,

Steven V. Camerino
