SUBJECT: DT 11-043 FairPoint Communications - NNE
Special Contract with the Carroll County Sheriff for ISDN-PRI
Service

TO: Debra Howland, Executive Director
Kate Bailey, Director, Telecommunications Division

On March 10, 2011, Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE (FairPoint) filed a special contract between FairPoint and the Carroll County Sheriff. Under the contract, FairPoint will provide the Carroll County Sheriff with ISDN-PRI service, including port, local distribution channel, caller ID with name, direct inward dialing, and a local usage allowance for a period of 36 months. During the first 12 months of the contract, the Carroll County Sheriff is allowed to order additional services at the rates set forth in the contract.

FairPoint stated that the filing contains confidential, commercial, and financial information exempt from public disclosure under RSA 91-A:5, IV.

Staff has reviewed the cost study data submitted by FairPoint and confirmed that the contract rates exceed the price floor requirements as defined in Order Nos. 23,357 and 23,493 (Docket No. DT 99-018). Based on its analysis, Staff recommends that the special contract be allowed to go into effect pursuant to RSA 378:18-b, II(a).
