Question:

Are there currently customers who have migrated who are in rate classes other than GV, LG or B rate classes? If yes, how many?

Response:

Yes. During the month of September 2011, there were 1,447 residential customers (0.3%), 9,351 small general service customers (12.7%) and 188 public street lighting customers (18.6%) who had migrated to supplier or self-supply service.
