Re: DT 07-011 FairPoint Communications Technical Session on Financial Issues

Dear Ms. Howland:

Enclosed please find the financial questions of the OCA in preparation for the technical session scheduled for June 9, 2009 in the above-referenced docket. We have filed both a public redacted and a confidential version with the Commission, Staff and FairPoint. We have provided the public version to the service list.

The OCA wishes to reserve its rights to ask additional questions related to important financial information that the OCA received on June 4, 2009, which was filed on June 2, 2009 "pursuant to Item 9 of the Commission's Secretarial Letter Dated April 9, 2009." We simply have not had adequate time to review the materials and prepare questions. We also have not yet received a copy of additional materials related to that filing requirement. We expect that FairPoint will have appropriate people available to answer questions related to these documents.

Thank you for your assistance. As always, please do not hesitate to contact me if you require further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Hatfield".
