**Re: Verizon New England Inc. and FairPoint Communications, Inc. —
Joint Application for Approvals Related to Verizon's Transfer of
Property and Customer Relations to Company to be Merged With
and Into FairPoint Communications, Inc.,
DT 07-011**

Dear Ms. Howland:

On July 28 and 30, 2009, Staff and parties conducted a technical session in the nature of a deposition in accordance with secretarial letters issued by the Commission on July 21 and July 24, 2009. Parties were invited to provide comments and recommendations for further action by September 3, 2009.

By this letter, One Communications indicates its support of the attached CLEC Key Issues/Recommendations (attached as Attachment 1) which were jointly drafted and endorsed by fourteen Maine, New Hampshire, and Vermont CLECs. The CLEC Key Issues/Recommendations were provided to FairPoint at a Transition Workshop held in Vermont in Docket No. 7270 on August 10, 2009. FairPoint's response to the CLEC Key Issues/Recommendations is attached as Attachment 2 (without the attachments to the original filing).

Although FairPoint does make some commitments in its response, FairPoint is reluctant to work with CLECs on a number of the recommendations. Therefore, One Communications requests that the Commission require FairPoint to comply with all the CLEC recommendations contained in Attachment 1.

Please do not hesitate to contact me if you have any questions. Thank you.

Respectfully submitted,

A handwritten signature in blue ink that reads "Paula W. Foley".
