Re: **DT 07-011 - Verizon New England Inc., Bell Atlantic Communications, Inc.,
NYNEX Long Distance Company, Verizon Select Services Inc. and FairPoint
Communications, Inc.**

Dear Ms. Howland:

Enclosed for filing with the Commission are an original and six copies of Verizon New England Inc. et al.'s list of all witnesses it proposes to cross examine in this proceeding. As indicated on the list, Verizon reserves the right to supplement or revise the amount of time it proposes for cross examination based on Verizon's further preparation for the upcoming hearing. Please note that Verizon witness Stephen Smith is not available to testify on October 25. Verizon also requests that the PSNH, Until and Granite State Electric witnesses testify any day but October 31.

Verizon anticipates that six to ten of its representatives will attend the hearing on any given day, but would expect that only four to five of those in attendance would need to sit at counsel's table.

Thank you for your assistance with this matter. If you have any questions, please do not hesitate to call.

Very truly yours,

Sarah B. Knowlton
