Docket No. DT 07-011

AFFIDAVIT OF HENRY C. JACOBI

I, Henry C. Jacobi, do hereby depose and state as follows:

1. Since 2000, I have been employed as the Vice President of Corporate Planning and Performance Assurance, Verizon Corporate Services Group Inc.
2. Verizon Corporate Services Group Inc. is an affiliate of Verizon Communications Inc. (“Verizon Communications”).
3. I am familiar with the March 2007 Board of Directors plan document for Verizon Communications Inc. (the “Plan”). I was responsible for compiling the Plan after receiving information from the various, principal business groups within Verizon Communications.
4. The Plan consists of the sections described in the next sentence and describes Verizon Communications’ March 2007 strategic plan for its major business segments. The major sections of the materials are: Strategic Transition (pages 3-8); Verizon Portfolio 2007-

2011 Strategic Plans (pages 9-68); Consolidated Financials (pages 69-72); Workplace, Culture and Corporate Responsibility (pages 73-78); Competitive Environment (pages 79-109); Competitors' Profiles (115-134); Key Statistics (pages 135-138); and a Glossary. It is 144 pages long.

5. There is no information in the Plan that refers to or relates to the Verizon New England Inc. assets in New Hampshire with the exception of statistics in the Key Statistics section that list the number of access lines and the number of employees by state.

6. The Plan has not been provided to anyone at Verizon New England Inc.

7. Verizon Communications has provided the Plan only to its Board of Directors and to approximately 15 members of its senior management, some of whom have received only portions of the Plan.

8. The Plan is highly proprietary and if disclosed, even pursuant to a protective order, would cause substantial harm to Verizon Communications.
