PETITION TO INTERVENE OF DSCI CORPORATION

Pursuant to New Hampshire Revised Statutes Annotated ("RSA") 541-A:32, New Hampshire Administrative Rules, Puc 203.02, and the February 7, 2005, Order of Notice issued by the Public Utilities Commission ("Commission") and DSCI Corporation ("DSCI") petitions to intervene as a party in the above-captioned docket. As grounds therefor, DSCI states as follows:

BACKGROUND

1. DSCI is a competitive local exchange carrier ("CLEC") authorized to provide local exchange service and other telecommunications services in New Hampshire. DSCI maintains substantial facilities in Tilton and Manchester, New Hampshire, and serves customers in several states including all of New England and New York State.
2. DSCI focuses its offering on business customers in all density zones and offers a bundle of telecommunications and data services using a

customer-friendly single bill format. Many of DSCI's offerings are provisioned using wholesale services purchased from the incumbent local exchange carrier ("ILEC" or "Verizon"), including substantial resale services.

3. On February 7, 2007, the Commission issued an Order of Notice soliciting interventions and statements of position on issues raised by Verizon and FairPoint Communications, Inc. ("FairPoint") in a January 16, 2007, application seeking approval of the sale and asset transfer of Verizon's fixed-line business to FairPoint.

INTERVENTION REQUEST

4. DSCI's rights, duties and interests are specifically and substantially affected by various aspects of the proposed sale and transfer of assets involving Verizon and FairPoint. Verizon is a supplier of telecommunications services to DSCI on a wholesale basis, including resale, which is essential to DSCI's operations in New Hampshire. DSCI would be affected by any legal or operational changes resulting from the proposed transaction that would change legal rights with respect to delivery or receipt of such services or adversely affect the service quality of such wholesale services.
5. Moreover, as a competitor of Verizon in retail markets, DSCI has an interest in ensuring that the proposed transaction does not result in changes that would adversely affect retail markets in New Hampshire.

6. Because DSCI's rights, duties and interests cannot be adequately represented by any other party in this proceeding, intervention as a full party should be granted.
7. DSCI has not yet decided upon the nature of its participation in this matter. Its participation may depend on the issues as they are developed during the course of this proceeding. In order to preserve its rights and to assist the Commission and the other parties as appropriate, DSCI requests that the Commission provide it with the right of full participation, including through participation of counsel in procedural and evidentiary hearings, propounding of discovery, presentation of testimony and submission of written pleadings and briefs.

SERVICE LIST

8. Please add to the paper copy and electronic service lists in this docket the undersigned lead counsel (Robert J. Munnely, Jr.) and the following company representative:

Sean Dandley, President & CEO
DSCI Corporation
1050 Waltham Street
Lexington, MA 02421
(781) 862-8300
Fax: (781) 862-4545
E-mail: sdandley@dscicorp.com

9. Please also add to the electronic service list only the undersigned co-counsel for DSCI (Ryan M. Mihalic).

CONCLUSION

Accordingly, for the above described reasons, the Commission should:

- (1) Grant the petition of DSCI to intervene as a full party in this matter; and
- (2) Take other actions that the Commission deems necessary or appropriate.

DSCI CORPORATION

By its attorneys,
