The docket in question involves a material and substantial change in the landscape of New Hampshire’s local telecommunications market that has substantial likelihood of affecting the way that our constituent members do business.

NHISPA, and its members, may be affected by any Commission interpretation, evaluation, or ruling resultant from the proceedings in this docket.

Accordingly, substantial interests of the NHISPA may be affected by this proceeding. See RSA 541-A:32(I)(b) (2003).
