Subject: Docket DT 07-011 - Request for interested party status

Dear Administrator --

My name is June Tierney. I am an attorney on staff with the Vermont Department of Public Service. I have been assigned to represent the public interest in the regulatory review in Vermont of the proposed Verizon/Fairpoint transaction, Vermont Public Service Board Docket No. 7270. I was advised by Rorie Hollenberg and Meredith Hatfield to contact your office to be placed on your service list as an interested party in order to monitor the related proceedings in New Hampshire in docket DT 07-011. Could you advise as to what further steps I may need to take to accomplish this objective? Thank you.
