

Verizon New England Inc.
d/b/a Verizon

State of New Hampshire

Docket No. DT 07-011

Respondent: Stephen E. Smith
Title: Vice President – Business
Development

REQUEST: New England Cable and Telecommunications Association, Inc. and
Comcast Phone of New Hampshire, Group I, Set #1

DATED: April 6, 2007

ITEM: Please state whether existing pole and conduit license agreements
NECTA/CPNH, between Verizon and pole and conduit attachers will be assigned by
GI 1-13 Verizon to FairPoint and when such assignments are expected to be
made. Please describe FairPoint's plans regarding the continued use of
Verizon's existing pole and conduit license agreements and related forms
during the planned 18 month transition period following the closing of
the proposed transaction.

REPLY: The existing conduit license agreements between Verizon and conduit
attachers will be assigned to FairPoint effective with the close of the
transaction.

Some of the conduit license agreements may require prior written
consent from third parties to assign before they can in turn be assigned to
FairPoint. To the extent this occurs, Verizon will seek such consent prior
to close.
