The request for the identity of the individuals by name and title at Verizon seeks information the disclosure of which would result in an invasion of privacy of Verizon employees to the extent names are sought. Subject to and without waiving the objection, Verizon will respond as follows:

The function is performed today by a Verizon License Administration group located at 185 Franklin Street Boston, MA. The employees of that group will be the subject matter experts who will be dealing with conduit and pole attachment licensing matters for New Hampshire.
