**Docket No. DT 07-011**

**Respondent:** Stephen E. Smith  
**Title:** Vice President – Business  
Development

**REQUEST:** NECTA/Comcast, Group 5, Set #1

**DATED:** May 4, 2007

**ITEM:** NECTA G5  
1-103 Please provide a detailed description of all conduit and pole attachment related services to be provided to FairPoint under the TSA or any agreement with any third party during or after the anticipated transition services period.

**REPLY:** During the TSA, Verizon will provide the following aerial and conduit license administration services to FairPoint:

- Creation and execution of aerial attachment and conduit occupancy agreements and amendments
- Validating and tracking customer insurance
- Aerial and conduit license application processing services
- Receive and process payments for agreements and applications
- Calculation of monthly aerial and conduit field survey and make ready results
- Bill calculation services (includes discontinuances services)
- Bill inquiry services
- Collections services for past due bills.

FairPoint's local engineers will continue to perform field surveys necessary to support the license administration process.

After the TSA, Verizon will not provide these services to FairPoint.
