**Re: DE 11-016; Granite State Electric Company d/b/a National Grid
2011 Default Service
Updated Seventy-sixth Revised Page 84**

Dear Ms. Howland:

On January 11, 2012, Granite State Electric Company d/b/a National Grid (the "Company") filed its Seventy-sixth Revised Page 84 in accordance with the Commission's Order 25,304 dated December 20, 2011 in the above docket. The Company recently discovered that the filed tariff page incorrectly references 2011 as the effective year for two of the Default Service Charges for the Large Customer Group, when it should reference 2012. Enclosed for filing, please find one original and two copies of the updated version of the Company's Seventy-sixth Revised Page 84, which now reflects the 2012 effective dates. No other changes were made to this tariff page.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,

Jinjue Pak
