Re: DM 15-490, GDF Suez Retail Energy Solutions, LLC d/b/a Think Energy  
Competitive Electric Power Supplier Application  
Deficiency Letter – Request for Additional Information

Dear Mr. Johnson:

On November 30, 2015, GDF Suez Retail Energy Solutions, LLC d/b/a Think Energy (GDF Suez Retail) submitted an application to the Commission for registration as a competitive electric power supplier (CEPS). Commission Staff has reviewed the application and noted that, according to the N.H. Secretary of State website, the legal name of the applicant was changed from “GDF Suez Retail Energy Solutions, LLC” to “ENGIE Retail, LLC,” on or before November 20, 2015. The application was thus filed under a legal name that was not registered with the State of New Hampshire as of the time of its filing. In order to correct this, Staff suggests that the applicant file a full replacement application, with all instances of “GDF Suez Retail Energy Solutions, LLC” replaced by “ENGIE Retail, LLC,” and specifically describe the change in company name and the effective date of such change. Please also file a rider to the surety bond that changes the name of the principal from GDF Suez Retail Energy Solutions, LLC to ENGIE Retail, LLC. It is not necessary to file EDI certificates in the new name of the applicant company.

Regarding the surety bond, please change the phrase “from all loss or damage *with* it may sustain” to “from all loss or damage *which* it may sustain.”

In order to complete your application, you should respond accordingly to the issues listed above. When responding, please address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Pursuant to Puc 2003.04 (h), please provide all information requested within 60 days of the date of this letter, on or before **January 31, 2016**. Puc 2003.04 (h) is copied below.

*Puc 2003.04(h) If the commission has requested information or clarification to complete an application for registration, and such information or clarification is not provided within 60 days of the request, the commission shall suspend the application. If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as a CEPS in New Hampshire.*

Sincerely,

David Goyette  
Utility Analyst III
