

STATE OF NEW HAMPSHIRE  
before the  
PUBLIC UTILITIES COMMISSION

Public Service Company of New Hampshire d/b/a Eversource Energy  
Request for Change in Transmission Cost Recovery Mechanism Rate

Docket No. DE 19-106

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE D/B/A EVERSOURCE  
ENERGY'S PETITION FOR APPROVAL OF CHANGE IN TRANSMISSION COST  
ADJUSTMENT MECHANISM RATE**

Pursuant to N.H. Code Admin. Rule Puc 202.01 and Puc 203.06, Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource" or "the Company") petitions the Commission to establish a revised Transmission Cost Adjustment Mechanism ("TCAM") rate for effect on August 1, 2019. In support of this Petition, Eversource states as follows:

1. Consistent with the Settlement Agreement approved by the Commission in Order 24,750 (May 25, 2007), which established the TCAM, Eversource is seeking a change in the existing TCAM rate. Eversource is requesting approval of a forecasted retail transmission rate to be effective August 1, 2019, for a twelve-month billing period, as well as approval of the reconciliation of transmission costs and recoveries for the period of January 2018 through July 2019. The overall average rate for the TCAM is proposed to be 2.051 cents per kWh.

2. Accompanying this petition are the testimony and exhibits of Erica L. Menard and David F. Bidmead explaining the TCAM and its calculation, including how the Company's recent lead/lag analysis is incorporated. Additionally, the Company includes the testimony and exhibits of Edward A. Davis to describe the calculation of the TCAM rates applied to each rate class, and the testimony and exhibits of John P. Dipaola-Tromba to describe the transmission

planning process at ISO-NE and to describe the projects included in the LNS rates that are part of the TCAM rate.

WHEREFORE, Eversource's respectfully requests that the Commission:

- A. Review and approve Eversource's proposed TCAM rate change; and
- B. Grant such further relief as is just and equitable.

Respectfully submitted,  
Public Service Company of New Hampshire d/b/a Eversource Energy  
By Its Attorney
