Re: DG 19-152; Northern Utilities, Inc.; Special Contract with National Gypsum; First One Year Extension; *DOE Position Statement*

Dear Chairman Goldner:

On April 30, 2024 Northern Utilities, Inc. (“Northern”) made a compliance filing in this docket as required by Order No. 26,308. Along with this filing, Northern made a Motion for a Protective Order and Confidential Treatment. On August 2, 2024, the Public Utilities Commission (“PUC” or “Commission”) requested that the New Hampshire Department of Energy (“DOE”) file a position statement by September 10, 2024. Attached for filing please find the Confidential and Redacted versions of the DOE Position Statement (with Attachments) by Utility Analyst, Ashraful Alam. The Confidential Attachments are redacted as Northern filed into the docket on April 30, 2024.

Consistent with the Commission’s current practices, this letter is being filed only in electronic form.

Thank you for your assistance in this matter.

Sincerely,

/s/ Molly M. Lynch
