**Re: Docket No. DG 20-152; Liberty Utilities (EnergyNorth Natural Gas) Corp.  
Keene Division Winter 2020-2021 Cost of Gas**

Dear Ms. Gagne:

I write in response to your letter of December 14, 2020, rejecting a tariff filing in the above docket because the footer (a) did not contain the term “interim rates” following the citation to the order that authorized the tariff change, i.e., “Authorized by NH Order No. 26,421 dated October 30, 2020 (interim rates) and, similarly, (b) did not contain the identifier “LDAC” following the citation to the order that authorized that tariff change, i.e., “...and Order No. 26,419 dated October 30, 2020 (LDAC) in Docket No. DG 20-141.”

Since we have never included a descriptive term following order references (and a quick review of other utility tariffs revealed that they have similarly not done so), please direct me to the rule requiring this language. Liberty takes great efforts to ensure its filings are in compliance with Commission rules, so your assistance in this matter would be appreciated.

Pursuant to the Commission’s March 17, 2020, secretarial letter, only an electronic version of this filing will be provided.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Sheehan', written in a cursive style.
